Donn,

Please keep only the site location poster (1st one) you have, and replace the others with the attached slides.

Thanks,

Hi, all...I revised slide 4 the schedule to remove the date for the public comment period (it was showing as November 2013). Let me know if you have a new date for this activity and if any of the dates for the other activities need to be revised. Also, do you have pictures or other material for additional posters? Ideally, it would be great if I could get these to our vendor for reproduction/mounting/laminating by COB Friday, January 24. It takes about 2 business days to get these done, so I would have them on Tuesday to be on the safe side.

Donn...where would you like the posters shipped? We can ship them to your hotel or to our Houston office and have the CH employee who is coming to help (Kathy Winkler) bring them to the meeting. This is what we did for South Cavalcade. Also, we can include sign-in sheets in the poster box. I'm not sure if you're going to make those copies yourself. Thanks!
